

2020 PGOLID Board Candidate Statements

Karen Hart:

My name is Karen Hart. My husband Gary & I have lived full time on the lake for 25 years. We live on Pelican beach and are very interested in preserving the lake quality to high level and in controlling the invasive species. I have also served on the PLPOA board for a number of years serving as President for two of those. I would be very proud to serve on PGOLID board.

Nick Valentine:

I've been enjoying the beauty and community of Pelican Lake for nearly 25 years, first as a weekender from the Twin Cities and for the last seven years as a full-time resident on Haugen's Point with my wife, Sherry Trepp. To be a part of preserving that environment, i've participated for 20 years as a member of the board of PLPOA, and served as coordinator of the annual 4th of July fireworks for 15 years. I also served on the PGOLID board as treasurer for 6 years and am currently treasurer of our beach association.. Now 'retired', I look forward to serving on PGOLID again to continue its work of preserving and improving the lake into the future.
