

Pelican Group of Lakes Improvement District

PO Box 336

Pelican Rapids, MN 56572

Annual Meeting Notice

June 30, 2023

The annual meeting of the Pelican Group of Lakes Improvement District (PGOLID) will be held Saturday, August 12th at Dunn Township Town Hall on East Lake Lizzie Rd. at 9:00 a.m. Voter registration will begin at 8:45 a.m. Enclosed are the following documents:

- Proposed Meeting Agenda
- 2023 Proposed budget
- Absentee ballot request

The election of three (3) director positions will occur following the call for any nominations from the floor at the meeting. One current board member, Nick Valentine, is completing a 3 year term and is running for a second term. We will have two open positions, with Greg Gustafson and Paul Lykken currently nominated and on the ballot for those open positions. Please contact any current Board Member prior to the meeting if you have an interest in serving. If you will be unable to attend, an absentee ballot application is included. Complete the ballot application and attest to being 18 years old or older. Mail the application to the address specified and a ballot will be mailed to you. Ballots must be received by the election committee prior to August 9th, 2022, to be counted as a cast ballot at the annual meeting. Nominations for Board membership may also be made from the floor at the Annual Meeting. The nominating committee and/or the PGOLID Board will review each nomination in order to confirm eligibility as a bona fide property owner.

Copies of the PGOLID Annual Report, financial statements, proposed budget, agenda and minutes are available on the PGOLID website, www.PGOLID.org and will be available at the annual meeting.

We encourage PGOLID property owners to participate and attend the Annual Meeting by expressing your views and voting in a town hall setting. The annual meeting will provide an overview of PGOLID activities for 2023 and is an opportunity for taxpayers to provide input to the Board for 2024.

Sincerely,
Board of Directors, PGOLID
