

CANDIDATE STATEMENTS

FRED HAGE

My wife and I have been on Pelican Lake for over 20 years. We currently live full-time in Fargo and are planning on moving to our lake place in the near future. I am self employed and own 2 Allstate agencies in the Fargo area. Our residence is located on Midland Beach. I would like to be considered for the open board member position. My goal on the board is to contribute and help the other board members protect the water quality and keep Pelican Lake as one of the premier lakes in MN.

Fred Hage, Midland

DENISE LUND-SMITH

I grew up in Moorhead and from the age of 10 spent my summers on Pelican Lake when my parents bought a small modest cabin on Summer Haven beach. . . I tell people my life began at 10. My husband Dan, as a junior in HS bought a lot on Fish Lake instead of a car; smart man! We're both retired, he from farming in Traverse County and I from teaching in Wheaton, MN where we raised our three sons. Fish Lake has been our permanent residence since 2010. I would be honored to continue for another term as an elected member of the PGOLID Board to promote the health of our lakes.

Denise Lund-Smith, Fish Lake
