June 30, 2025

The annual meeting of the Pelican Group of Lakes Improvement District (PGOLID) will be held **Saturday, August 9th, 2025** at Dunn Township Town Hall on East Lake Lizzie Rd. at 9:00 a.m. Voter registration will begin at 8:45 a.m. Please review the following items within this mailing:

- Proposed Meeting Agenda
- 2026 Proposed levy and budget
- Candidate statements
- Absentee ballot

The election of two (3) director positions will occur following the call for any nominations from the floor at the meeting. One current board member, Jim Poolman, is completing a 3 year term and is running for a second term. We have two open positions, Keith Berndt is currently the only candidate for those positions. Please contact any Board Member prior to the meeting if you have an interest in serving and are a resident of the lake. If you will be unable to attend, an absentee ballot is included. Complete the ballot application and attest to being 18 years old or older and authorized to vote for your property. Mail the application to the address specified and a ballot will be mailed to you. Ballots must be received by the election committee prior to August 6th, 2025, to be counted as a cast ballot at the annual meeting. Nominations for Board membership may also be made from the floor at the Annual Meeting.

The nominating committee and/or the PGOLID Board will review each nomination in order to confirm eligibility as a bona fide property owner.

Copies of the PGOLID Annual Report, financial statements, proposed budget, agenda and approved minutes are available on the PGOLID website, www.PGOLID.org and will be available at the annual meeting.

We encourage PGOLID property owners to participate and attend the Annual Meeting by expressing your views and voting in a town hall setting. The annual meeting will provide an overview of PGOLID activities for 2025 and is an opportunity for taxpayers to provide input to the Board for 2026.

Sincerely,
Board of Directors, PGOLID
